All professional consulting work will be performed on an as-needed basis and will be initiated by executing a work authorization, to a firm under contract for the related work category. Execution of these professional consulting agreements only establishes the terms, conditions and rate schedules, if rendered. Execution of contracts does not obligate the Village to assign work to any of the contracted firms. The term of the contracts is for three (3) years with two (2) additional one (1) year renewal options.

Staff recommends awarding contracts to multiple firms for: 1) Water and Wastewater Treatment Engineering; 2) Utility General Civil, Water Distribution and Storage, and Wastewater Collection Engineering; 3) Civil Engineering; 4) Traffic Engineering; and related consulting services.

Existing annual engineering contracts, previously awarded by Council, will remain valid through the expiration date of such contracts.
