#### **II. RESOLUTION NO. R2022-60 (WELLINGTON BUDGET)**

**A RESOLUTION OF WELLINGTON, FLORIDA'S COUNCIL ADOPTING A BUDGET FOR THE VILLAGE OF WELLINGTON FOR THE FISCAL YEAR COMMENCING OCTOBER 1, 2022 AND ENDING SEPTEMBER 30, 2023; AND PROVIDING AN EFFECTIVE DATE.**

**REQUEST:** Approval of the proposed Fiscal Year 2022/2023 millage rate, operating and capital budget including balances brought forward. This is the second public hearing on the proposed budget and the corresponding ad valorem millage rate in accordance with the Wellington Charter and F.S. Chapter 200.065.

**EXPLANATION:** Florida Statutes Chapter 200.065 sets forth the procedure to follow for each local government in adoption of the annual property tax millage, levy, and budget. In accordance with these regulations, the June 28, 2022 certified total taxable value of \$10.41 billion is applied to calculate the millage rate and ad valorem revenue for the FY 2022/2023 budget. The proposed millage rate of 2.47 mills is the same as the preliminary TRIM rate adopted on July 12, 2022 and 12.02% above the rollback rate of 2.21 mills. The tentative millage rate generates property tax revenues of \$24.42 million, which is an increase of \$2.6 million from FY 2021/2022 property tax revenues.

The proposed budget for all funds totaling \$128.55 million and provides funding to maintain existing levels of service, maintenance of facilities, added recreation and event funding, community grants, and investment in capital improvement projects. The total budget is proposed at \$5.39 million less than the FY 2022 budget of \$133.94 million.

Council held budget workshops on July 11<sup>th</sup> and August 8<sup>th</sup> to discuss the proposed operating and capital budgets, and adopted the annual budgets for Acme, Water/Wastewater Utilities, Solid Waste and the Professional Centre on August 9<sup>th</sup>, 2022. On September 6, 2022, Council tentatively adopted a balanced budget for the governmental funds, excluding Acme and balances brought forward, totaling \$83.03 million, a decrease of \$5.93 million from the prior year.

The second public hearing includes final adoption of the governmental budget excluding Acme and the recommended Capital Improvement Plan for FY 2023. The FY 2023 Governmental and Utility CIP totals \$23.81 million for all governmental and utility capital projects. The Plan further utilizes prior years' remaining budgets carried forward and reallocates approximately \$3.6 million between projects and returns approximately \$2.0 million to reserves for capital project budgets not rolled forward.
